## **PRESS RELEASE**

FOR IMMEDIATE RELEASE:

### **Gig Werks and d.velop International Announce New Partnership**

**NEW YORK – September 23, 2011** - Award Winning SharePoint Solution provider Gig Werks joins the d.velop International partner network. Gig-Werks will concentrate the partnership on enriching their existing and new SharePoint customer base by the unique ECM enrichment for SharePoint, ecspan. ecspan turns SharePoint into a complete ECM solution and makes third-party Archiving tools obsolete.

Joe Giegerich, President of Gig Werks, had this to say about the new partnership: “The range of rich functionality that d.velop International and the ecspan product adds to SharePoint will offer immediate impact and benefit to a number of our clients, particularly around Enterprise Content Management. Traditionally, Gig Werks has understood the power of strategic relationships with key ISV’s. There is a great synergy between our firms offerings and the markets we serve and believe our partnership with d.velop International will be among the most strategic to date.”

The GM of d.velop US, Randy Hardy adds: “We are very excited to have one of the premier SharePoint Development firms as part of our rapidly growing partner community! Gig Werks understands SharePoint market space better than most, having been involved since the very early days and sees the benefit of a complete ECM strategy within SharePoint.”
