

FOR IMMEDIATE RELEASE

## Gig Werks Named Finalist for 2018 Nintex Partner Award

New York, NY—July 11, 2018—Gig Werks announced it is a finalist in the 7<sup>th</sup> annual **Nintex Partner Awards**.

The 2018 awards recognize the valuable contributions channel partners like Gig Werks have made in helping enterprises of all sizes, in every industry, improve the automation of business processes with Nintex technology.

“Nintex partners help public and private sector organizations leverage the Nintex Platform to quickly turn their manual, paper-based and sophisticated processes into efficient digital workflows,” said **Nintex CEO Eric Johnson**. “We look forward to recognizing our top Nintex partners in July for their industry expertise and business excellence.”

**Gig Werks President Joe Giegerich** said this of the announcement, “Gig Werks is very excited to be a finalist this year at the Nintex Partner Awards. Nintex is one of our closest partners and a solution we consistently see drive significant value and ROI to our clients. We look forward to continuing to grow our already great relationship with the Nintex team and are very appreciative to be recognized”.

The Nintex Platform includes powerful capabilities for [advanced workflow automation](#), document generation, mobile apps, modern forms, process intelligence, and more. Enterprise organizations turn to no code workflow automation solutions like Nintex to improve line of business (LOB) productivity and to eliminate repetitive manual processes.

Winners of the 2018 Nintex Partner Awards will be announced by [Nintex](#) during an awards dinner on Sunday, July 15 in Las Vegas that coincides with the annual Microsoft Inspire partner conference.

###

### About Gig Werks
